NUMBER 10.

NORWAY TOWN MEETING

Clear weather and good sleighing brought out an unusually large number of voters and others interested in town matters. Sectional questions, the contest over selectmen and tax collector were featured, but had no tendency to drag out the busy stay at home.

A union ticket was put in the field against the old established Citizens' combination. Both were identical except for selectmen and minor changes in the list of constables. The union forces placed the names of George H. Holmes, Asa D. Frost and Fred J. Lovejoy as their choice of town fathers against the present incumbents elected in 1917. After spirited voting the Citizens' ticket was out and the old board of selectmen returned for another year. From a total of 504 votes cast George F. Hathaway received 268, H. Arthur Robbins 280 and Alvin Brown 272.

Three candidates entered the contest for tax collector and they made things lively about the meeting. Charles H. Pike, the present collector, secured 137 votes from 213 cast and was elected. Richard W. Goodwin had 54 and Odell C. Rich got 22. Mr. Pike has been in office five years and proved efficient, having a very small list of delinquents and one of each term. Town officers elected:

Moderator—H. B. Foster.
Clerk—S. W. Goodwin.
Selectmen—George F. Hathaway, H. Arthur Robbins, Alvin Brown.
Treasurer—E. N. Swift.
Assessors—Charles H. Pike, S. S. Committee—W. F. Jones.
Norway Public Library Trustees—E. F. Smith, W. Leavitt.
Treasurer—Simeon Harriman.
Constables—W. A. Bicknell, E. G. Gammon, E. W. Hutchins, John V. Elnor, E. J. Blake, E. M. Davis, S. D. Thurston, F. P. Towne, C. F. Babson, Howard Chase, H. P. Bassett, F. A. Hall, E. O. Libby, H. O. Stimson, Fred J. Lovejoy, Charles E. Ruggles.

Routine Business
The article relative to choosing a board of selectmen, assessors and overseers of the poor, one for three years, one for two years and one for one year was argued at length, but lost.

The 1918 taxes against the heirs of W. S. Pratt, Albert E. Canwell, Leonard Plint and Hattie Small were abated.

Voted to expend 10 per cent. of the money raised for highways and bridges on sidewalks.

Voted to have all taxes payable Nov. 1, 1918 with 6 per cent. charges after Jan. 1, 1919. Rate for collecting, 1 1/2 per cent.

Voted to have three road commissioners with \$3.00 per day as their wages. They will be appointed in April.

The stone crusher came up again for action. By vote of the town at the regular meeting March 3, 1913 \$2,000 was raised after considerable argument for a stone crusher to make road material.

The machine was not bought after the sum was raised and this amount has been carried along during the past five years. At this meeting the vote was rescinded and the \$2,000 applied to the school repair account.

The article regarding a new road for Cottage street was passed over. A new road two and a half miles long from Crockett Bridge and Millerville across the swamp near Bird Brook toward Whitman street in the village was accepted provided the cost not to exceed \$5,000 per mile. Considerable argument has been carried over this proposed highway. Those strongly in favor of the new route wish to eliminate the haul over Cole's Hill on Pleasant street and several long curves about that point. The opposition considered the proposition expensive owing to the bogginess of the country. The route was viewed by the County Commissioners with the petitioners in September and a hearing given at the Norway Municipal Court Rooms in December. No definite cost estimates were submitted as there had been only a preliminary survey so the Commissioners withheld their decision until March 20, or until the voters could make an expression at the regular town meeting.

The article relative to the care of the new concrete street was passed over. Five dollars was voted to the moderator for his services.

No money was raised to destroy moth-needs as the article was passed over.

At the opening of the meeting Donald B. Partridge read the Liberty Loan Act issued by the New England Publicity Committee, John K. Allen chairman. This is the preliminary announcement of the third Liberty Loan which will be offered at an early date.

NORWAY-PARIS CHAUTAUQUA

The Norway-Paris Winter Chautauqua as furnished by the Chautauqua Association of Pennsylvania, opened Wednesday afternoon for a three day session in Norway Opera House with a good attendance and excellent conditions considered. A ticket committee had canvassed both towns, but the number sold will not cover the guarantee of \$250 which must be taken to bring the forty-five grantors through without a deficit. To meet the local people the half way, Superintendent W. Russell Green extended the time until Thursday afternoon, giving an opportunity to make a further canvass with the season tickets.

Albert D. Park of South Paris presided at the opening session and introduced the Association representative W. Russell Green, who will have this course in charge assisted by Victoria Lesley as cashier and Junior Department worker.

After brief introductory remarks concerning the duties of the audience during the next three days Mr. Green gave an informal address "The Nation at War" or as he stated the better title might be "Struggle for an Ideal." His thought was a clear exposition of comparisons between autocracy and democracy. He pointed out the danger of violation from the prohibitive family head rule, clans and tribes to small states, their might empires, lastly our great Republic was clearly set forth.

A concert followed given by the Columbia Quartet of Chautauqua, assisted by Harriet Gibson of Gloucester, Ohio, reader, vocal soloist and piano accompanist. Under ordinary conditions the quartet includes Marshall Scott, Richard Papp, Harold Beeston and Wood Kane, but during the afternoon only three were present. The quartet was composed of Miss Gibson, the accompanist rendered several vocal selections and readings.

The concert was followed by an interesting and instructive illustrated lecture by "The European War." He opened the lecture by tracing the ancestry of the royal families of Europe and establishing a close relationship. At the beginning of the war he was in Europe as a correspondent and picture he brought very close to the audience, the reality of the world war, the atrocities which have been and are being perpetrated by the various leaders and men of prominence in the war as well as many of soldiers and troops in active service; they also included news of many cities and towns which have since been razed to the ground. In the course of his lecture he brought out the fine spirit of the French people in the war, the ability of the American, the French and the English and in fact he hit upon nearly every subject which pertains to the European war. He pointed out the actual occurrences vividly. He denounced the Huns and Hun warfare in true and scathing terms and declared the war was practically won, but it will take many millions to finish, but he showed many of American inventions which were bringing changes in the present warfare.

The program for Thursday afternoon includes a lecture by W. Russell Green, the superintendent, and a concert with Elnor, Elnor and Elnor. In the evening will be a concert by the same company and a lecture by Captain Leslie Vickers on "Life in the Trenches" which is one of the best lectures on the subject and will prove instructive.

On Friday afternoon there will be a short lecture by Mr. Green followed by a concert by Pietro Mondella company and in the evening there will be a concert by the same company and a lecture by "The Trenches" which is one of the best lectures on the subject and will prove instructive.

There is still time to purchase a season ticket and save money on the single admission price.

NORWAY, ME. FRIDAY, MARCH 8, 1918.

Portrait and Service Flag for Lodge
A 16x20 sepia-platinum portrait of Past Chancellor Orrington M. Cummings, a gift from P. Norwasset Lodge No. 13, K. C. of P. Norwasset, was unveiled in their castle hall, Thursday evening, Feb. 28. A large service flag, a token from Lake Temple Pythian Sisters was also unfurled with appropriate exercises.

These exercises followed the regular Pythian meeting, at which time the Sisters were invited to assist in the ceremony and enjoy a musical program with dancing that concluded a delightful evening's entertainment.

Donald B. Partridge was master of ceremony and made both presentations. The fine likeness of Mr. Cummings was delayed in transit so not here when his 79th birthday was observed in conjunction with the burning of the K. of P. building mortgage early in the month. For once Sir Knight Cummings was taken away wholly by surprise and unable to say a word of a speech which was requested.

The flag is of bunting 30x48 inches, carrying six stars for members in the service. They are Capt. John Wilson, Sergt. Alfred J. Deane and Priv. Henry Parker, all of Co. D 103 Me Infantry in France. Among Whitehead with the English Army, Priv. Roland Nevers, Medical Dept., 54th Regiment Artillery and Howard Daugherty, Q. M. Dept. at Augusta. A seventh star will be added for Abraham Klein, who has enlisted in the Medical Dept. for training at Fort Oglethorpe, Ga.

A musical program of merit followed the exercises and included a vocal solo by Abraham Klein, "Just as Your Mother Was," with Elizabeth Klein at the piano; violin solo by Harold Moore; War time diet, Klein and Moore; vocal solo "My Belgian Rose," Harold Moore; and vocal solo "Song of the Ages Down the Lane of Life," Berenice Nash.

Dancing concluded the entertainment, with music furnished by Fred M. Davis, Berenice Nash and Elizabeth Klein. The affair was in charge of W. A. Lewis, Jr., J. Cook and J. P. Edwards.

He has a brother, Scott Plummer, who lives in Vermont, has two sons in the infantry. Henry Plummer was born in Groton, Grafton Co., New Hampshire, a duke of a ways back, but he doesn't look or feel as old as I do. He will return to his summer home in East Stoneham early in April.

Travelings of a Small Building
Some years ago Rod. Pike, carpenter and contractor, built a 12x18 foot building for the storage of paint and wall paper and located it near his house on Paris street.

Mr. Pike dying, had no further use for it and the building was sold to Randall O. Porter and was taken to his home on Water street, where it ornamented his door yard for about three years.

Recently it was sold to John H. Fletcher for a garage and was taken by Elnor Millett and several horses with "Tim Heath, down Main street and to the rear of Fletcher's home for the housing of his fiver.

Price paid is unknown, but the sign "Wall Paper" is still on it and it is said the silks have rotted.

Persis E. Mann
Persis Ethelwyn Mann, daughter and only child of Elnor and Mrs. M. S. Mann (Newell) Mann, passed away at her home on Deering street Wednesday afternoon at 3:30, after a four weeks' illness which resulted in meningitis. Measles was suspected at the beginning of the sickness, but as the symptoms developed her parents realize trouble was far more serious. She rallied about a week ago after a severe ill turn, but the improvement was of short duration as a relapse followed and she failed rapidly until the end.

Persis was born in New York, January 4, 1910 and had lived here expecting for two years when her father was employed at Lewis M. Mann & Son's factory at West Paris and a short time passed at West Paris. She attended the village grade and the Sabbath school of the Universalist Sabbath School. This is a blow to the family particularly at this time, as her mother is ill with the measles and the father being treated at the Hebron Sanatorium. He was called home during the critical period of the child's illness and has assisted in the care of both patients.

The funeral arrangements have not yet been completed.

Barton Reading Club
The Barton Reading Club was entertained by Mrs. Helen Pendexter on Feb. 28. The program announced a social afternoon and each lady had been asked to represent in some way a proverb or old saying. After the reading had been opened in form and business disposed of the guessing proceeded. Several clever portrayals were made, one member telling an apt story and finally all puzzles were solved.

Another contest was familiar advertisements scattered about the room, but not always easy to name. Last brains he overtaxed, the victrola dispensed choice music by famous artists. Late in the afternoon refreshments were served and then the hour for adjournment came all too soon. The always efficient host, charming hostess and last of all, the club's most delightful afternoon that will long be remembered.

The Singing Orchestra appeared in Norway Opera House Tuesday evening and attracted the usual large dancing party. The music was well known in this vicinity and their appearance never fails to prove an attraction.

Paris Town Meeting

Fine crisp weather and fairly good sleighing brought out a large representation of voters. Business was transacted rapidly with very little argument and several sizable appropriations made, which included \$5,000 for snow bills and \$4,500 to complete the West Paris school house in accordance to plans approved by the state departments of education and health. Preceding the business Margaret A. Baker, a Daughter of the American Revolution read the circular sent out to all towns by the New England Liberty Loan Committee. The only contest appeared when Harry M. Shaw received 234 of the 288 votes cast for tax collector against two candidates.

Fred R. Penley, Alfred C. Perham and M. C. Joy were appointed a committee to supervise the work on the West Paris building. It was voted to sell part of the gravel pit lot on the Paris Hill road and pass over the article calling for an under draining of the military road or Cedar swamp. The West Paris school appropriation will be made in five annual payments, \$1,000 being assessed this year.

Meeting adjourned at 1:40 being one of the shortest afternoon sessions on record.

IT IS SERIOUS

Some Norway People Fail to Realize the Seriousness of a Bad Back. The constant aching of a bad back, the weariness, the tired feeling, the pains and aches of kidney ills may result seriously if neglected. Dangerous urinary troubles often follow.

A Norway citizen shows you what to do. M. M. Kilgore Danforth St., says: "I had backache and rheumatic pains for more than a year caused by disordered kidneys. My kidneys were acting irregularly all the time and I was so lame and sore across the small of my back I could hardly stand up. At night I rested but little and was feeling miserable much of the time. I finally got Doan's Kidney Pills at F. P. Stone's Drug Store and a few boxes cured me." (Statement given July 24, 1908.)

Permanent Results. On June 7, 1916 Mr. Kilgore said, "I gladly continue recommending Doan's Kidney Pills. The cure they gave me has proven permanent." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Kilgore had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Sled Riding Parties
We are having some delightful weather now. The rain and thaw which we had followed by the cold spell, made one of the old time cruises which used to bring out such gay parties of boys and girls with all kinds of sliding apparatus. The most fascinating perhaps as a horse sled with its load of boys and girls with one boy seated on a hand sled between the thighs and one grasped firmly in each hand by the shoulders the loaded sled safely down the long hills and for nearly a half mile along the level road beyond. Then it was a task to haul the sled back up the hill with laughter and shouting and then go gleefully down again. Sometimes the sled would get the better of the best steered and swerve so quickly it would be over turned and the shrieking load dumped in the snow. Then each particular lass would be rescued by her particular lad, the sled righted, and again sent on its way, now discouraged by the mishap. But that was long ago and the ancient horse sled has gone by and its place is filled by the more modern eki.

To Relieve Catarrh You Must Strike at the Cause

Catarrh is the result of irritation of the mucous membrane caused by germ infection. Catarrh manifests itself in various ways and requires varied treatment. The remedies below are each best adapted to its particular purpose.

Rexall Mucu-Tone

is a special tonic that strengthens the mucous membranes against catarrh by toning up the delicate tissues so that they are able to resist the attacks of catarrh germs. Taken internally, in conjunction with local treatment, it hastens recovery. Rexall Mucu-Tone is recommended particularly for persons who are unusually susceptible to catarrh and is a reliable treatment in chronic cases. 50c and \$1.00.

Rexall Catarrh Jelly

gives instant relief in nasal catarrh. It is healing, soothing, effective and harmless. Quickly relieves stuffiness, irritation and discharge. It readily clings to the delicate surfaces thus insuring prolonged action of the medicaments. Rexall Catarrh Jelly is pleasant to use because it is sold in tubes with special nozzle for convenient application. Can be readily carried in the pocket for use when needed. 25c and 50c.

Rexall Catarrh Spray

An effective local treatment. Germicidal, antiseptic, healing. 50c per bottle.

Rexall Catarrh Tablets

Very efficacious wherever a mild antiseptic cleanser is required. 50c per box.

Every sufferer from catarrh will find in these and other tested remedies the ones best adapted to their particular condition.

WE EARN MORE MONEY THAN ANY OTHER NATION.
WE HAVE MORE MONEY INVESTED THAN ANY OTHER NATION.
WE WILL HAVE TO SPEND MORE THAN ANY OTHER NATION TO WIN THE WAR AND PROTECT OUR LIVES AND PROPERTY.

But up to this year we have saved less than any other nation. Our income has been forty billion dollars a year. Our savings have been five billion dollars a year. It is going to cost twenty billion dollars to carry on the war this year. Part of this has already been subscribed in Liberty bonds, part will come from taxes, but by far the largest part must yet be saved.

Cash, Cash, CASH, is what we need. The only way to have it is to work harder and save more. Cash must come before men and munitions. Cash must come before luxury, pleasure, convenience, or even comfort.

Cash is the one big dominant power we must get first to win. And we must win. Let's save our money and put it in the Bank. Let's save four times as much as we have ever saved before. The Banks are rendering a mighty service to the Nation. Without them business would stop tomorrow, pay-rolls would stop, cash would disappear, and every normal habit would be changed.

Don't hoard or hide cash. Cash is never safe until it is in the Bank or safely invested. So Save, Save, SAVE. Put your money in this Bank today and keep on building up, getting interest, growing stronger and preparing for the way to win peace and liberty.

This Bank is a member of the largest banking system in the world, the National Banking System with total resources of \$18,553,000,000.00.

"Better Than Worm Tablets"

Some people who are troubled with worms, or whose children sometimes suffer that way, try to get rid of the trouble by using worm tablets, worm lozenges or worm candy. They fail to get the quick results that can be obtained with Dr. True's Ellixir, the family laxative and worm expeller.
In fact Dr. True's Ellixir, a liquid medicine, is positively better than any worm tablets, worm lozenges or worm candy. There is no remedy that can compare with Dr. True's Ellixir for quickly expelling worms, whether they are stomach worms or pin worms.
Besides that, your stomach is toned up and normal action of the bowels is restored when you take Dr. True's Ellixir. It is a doctor's preparation, originated by Dr. True and on the market more than 60 years.
Dr. True's Ellixir, the Family Laxative and Worm Expeller, pleasantly, easily and quickly expels worms and makes you feel much better. Remember this when you or your children are troubled with worms. Don't take those worm lozenges, tablets or candy that may upset you, but use Dr. True's Ellixir that tones and soothes stomach and bowels and expels worms.
Lots of people have worms and don't know it! Most all children Dr. J. F. True & Co. have worms. Write us for symptoms. 42-210 Auburn, Maine
